FINANCIAL POLICY AND AGREEMENT

Thank you for choosing CopperView Medical Center as your healthcare provider. We are committed to excellent patient care. The following is an explanation of our financial policy and agreement, which you must read and sign prior to any medical evaluation or treatment.

1. Each patient is responsible for his or her own bill.

2. Payment of all insurance co-payments and deductibles is required at the time of service. What your insurance does not cover and you are responsible to pay, is a contract between you and your insurance company.

3. Patients who have no insurance are required to pay 100% of services rendered at each visit. If this is not possible, you will need to make payment arrangements with our billing office. We accept; cash, Visa/MasterCard, American Express, and Discover/Novus.

4. Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. As a courtesy, this office will submit bills to your insurance carrier. In order to facilitate claims processing, you must provide all insurance policy information and changes to our office. Your bill is your responsibility whether your insurance company pays or not. At times, you may need to contact your insurance carrier regarding slow or non-payment of your insurance claim.

5. You are responsible for knowing what your insurance covers and the providers and network(s) covered under your health insurance plan. Any service provided, but not covered by your insurance company, will be your responsibility to pay.

6. You are responsible for any laboratory service performed at these facilities that are sent out to a third party laboratory for processing. All billing for laboratory services are generated through the lab itself; we do however provide your insurance information to the lab for billing purposes only.

7. If for any reason, should collection become necessary, the responsible party agrees to pay an additional 40% collection fee of any charges being sent to the collection agency, and all legal fees of collection with or without suit including attorney fees and court fees.

8. Be aware that we may charge a $25.00 fee for no-showed appointments.

9. Be aware for any inadequate cancellation; defined as one hour or less of your appointment time, may be charged a $25.00 fee.

Usual and Customary Rates

Our rates for medical services reflect the usual and customary rates in the community.

Authorization to Pay Benefits

I further authorize and direct said agency, attorney or insurance company to pay from the proceeds of benefits of any recovery or insurance payments in my case, directly to the providers of this office, for their professional services rendered. I understand that this in no way relieves me of my personal responsibility for payment to my provider when a statement is rendered.
